Encl: (1) Selection Criteria

1. The Marine Corps is pleased to accept your offer for assignment of a Marine Corps officer [redacted]

STAT  
STAT

[redacted] on a reimbursable basis as outlined in the reference. We plan to assign a captain with a military occupational specialty (MOS) of 0202, Intelligence Officer who meets the selection criteria contained in the enclosure. Tour length would be two extendable to three years. The selection criteria emphasize combat intelligence experience in the Fleet Marine Force and attendance at Marine Corps schools to assure that the Marine Corps CSC representative can ably represent tactical intelligence requirements with an emphasis on the needs of amphibious warfare.

2. This headquarters has selected an officer for this assignment.

STAT

[redacted] begin screening 23 August 1982 and immediate assignment upon acceptance by IC Staff.

3. The Marine Corps welcomes this opportunity. It is a logical extension of increased Marine Corps involvement in intelligence community imagery matters and is a practical and beneficial means to accomplish mutual objectives. Point of contact in this matter is LtCol J.E. KNIGHT, Headquarters Marine Corps Code INTX, 694-4964/4090/2522.
